

# Christian Brother Fee Schedule

## Newpoint Partnership Inc

File: CB Fee Schedule.docx

6/1//2023

Application Fee	<None>
Due upon intake	\$150
Weekly room & board	\$200

### Transportation

Newpoint will provide transportation for required group activities.

There is no public transportation in Brunswick. Some employment and education options are easily within walking distance, while others require automobile transportation. Auto transportation may be available through a Newpoint staff member or volunteer, but at times it may be required to hire a taxi service. If Newpoint Partnership provides transportation for employment, school or any other non-group activity, Newpoint requests a donation of 50 cents per mile driven.

Christian Brothers are expected to pay all fees and charges at the time they are due. However, if at the time of his arrival he is unable to pay the amount due, Newpoint may allow delayed payment of his intake fee, weekly room & board, and repayment of any loans made to him until he has gained employment and is able to pay. Such delay is dependent upon the Christian Brother's continuing progress in the Newpoint reentry program.

I agree to the above fee schedule and have received a copy of this document.
